SUE STEDMAN LTD APPOINTS PHIL HOLDEN AS NATIONAL SALES MANAGER

Guildford, Surrey: Sue Stedman Limited, the bespoke corporate clothing company, has appointed experienced industry specialist, Phil Holden as National Sales Manager. Phil joins the company having spent over 30 years in the corporate clothing industry and is focused on developing new business opportunities within a number of key industry sectors.

Previously, Phil worked at a number of high profile companies within the corporate clothing sector to help increase growth and client profiles in the airline and cosmetic industries.

Sue Stedman, founder and director, Sue Stedman Limited said: "It's great to have Phil on board. He has spent over three decades in the corporate clothing industry and, as a result, not only brings with him vast industry knowledge but opens up new avenues for us in additional markets due to his past experience. He knows the industry inside-out and also has a keen focus on delivering high quality, bespoke garments rather than off-the-peg and so will fit in well with our team."

Adds Phil Holden: "I was delighted to accept the role of National Sales Manager here at Sue Stedman Ltd as the company has an excellent reputation in the market. It is known for developing bespoke fabrics and weaves for its clients to give them individually designed, unique garments. I am looking forward to working closely with the team over the coming months to expand its new business opportunities."
